HEAVY DUTY DEGREASER FORMULA 44

FEATURES

- Safe to use and safe to apply on all surfaces that can be washed with water
- Can be used to remove mineral grease, animal fat and oils
- Can be used on metals, stainless steel, plastics, walls and floors
- Can be used with steam, pressure washers or scrubbing machines

PROPERTIES

Appearance: Transparent red liquid.

Boiling point: 212 °F

Specific gravity: 1.09 gr/cc

Non volatiles: 10 %

Solubility in water: Soluble

Flash point: None

Storage stability: Keep away from high temperatures and oxidizers

pH of liquid: Alkaline

Flammability: Non-flammable

Packaging: 4x1 gallon Case
5 gallon Pail
55 gallon Drum
275 gallon Tote

- Properties are typical and subject to usual manufacturing tolerances.

FORMULA 44 is a heavy duty alkaline degreaser that can safely be used to remove heavy soils, greases and oils from most surfaces, without the need for excessive scrubbing and rinsing. It handles all types of cleaning problems in carpets, floors, painted walls, plastics and rubber, metal parts and mechanical motors, and other hard surfaces.

Refer to the label and SDS for instructions and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
