**Non volatiles:** Not Determined

**Solubility in water:** Soluble

**Chemical type:** Peroxide -Oxidizer

**Storage stability:** Keep away from high temperatures

**pH of liquid:** 5-7

**Flammability:** Non-flammable

**Packaging:** 4x1 gallon Case  
5 gallon Pail  
55 gallon Drum

- Properties are typical and subject to usual manufacturing tolerances.

OXY BOWL is an oxygen provider liquid bleach that should be used where color or natural fabrics require de-staining and chlorine bleach is not safe. OXY BOWL is safe and effective when working at high temperatures, where the release of oxygen is greater. Ideal for cleaning and sanitizing urinals and restrooms, especially to remove urine residues and bad odors. Great to clean and de-stain hard floors and hard surfaces in general. Prior spot testing on unknown fabrics is recommended. OXY BOWL is not intended for use on wool, silk, leather or in the presence of soft metals. OXY BOWL contains Hydrogen Peroxide, handle with care; do not mix product with any other chemicals unless recommended by ChemTron.

Refer to the label and SDS for additional instructions and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
