

**DEGREASER****PURPLE POWER****FEATURES**

- Heavy Duty Industrial Degreaser
- Powerful alkaline solution cuts through grease and oils
- Powerful and fast acting even when diluted
- Dissolves organic compounds
- Economic and Efficient
- Biodegradable

PROPERTIES

Appearance: Translucent purple/blue liquid.

Boiling point: 212 °F

Specific gravity: 1.05-1.10 gr/cc

Non volatiles: 10-15 %

Solubility in water: Soluble

Flash point: None

Storage stability: Keep away from high temperatures, acids, and oxidizers.

pH of liquid: Very Alkaline

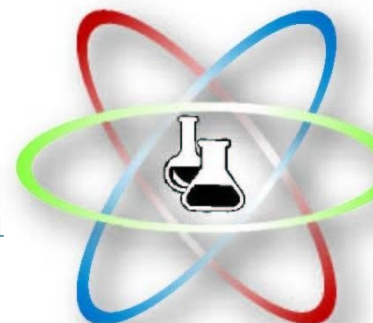

Flammability: Non-flammable

Packaging: 4x1 gallon Case
55 gallon Drum

PURPLE POWER is a high concentration, high alkalinity super degreaser that can be used to remove grease, oils, stains, dirt and grime from floors and walls. It can be used on a variety of surfaces such as metal, rubber, plastic, fiberglass, and stainless steel. It is ideal for use in garages, auto shops, and for industrial and commercial use in general. It is recommended to spot test a small area before applying to entire surface.

PURPLE POWER can be diluted with water up to 20 times for everyday cleaning jobs. To use, simply apply product to the surface using a poly sprayer. Allow product to work for several minutes before rinsing with water or moist cloth. Reapply if necessary. This product should be handled with care as it is considered corrosive. Refer to the label and SDS for additional instructions and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
