Solubility in water: Miscible

Storage stability: Keep away from direct strong oxidizing agents

Boiling point: 220 °F

Flammability: Non-Flammable Aerosol

pH: 8-9

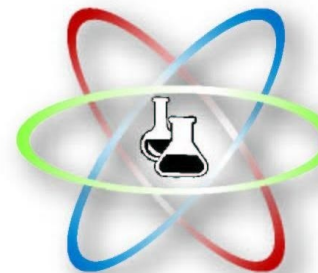

Properties are subject to usual manufacturing tolerances.

SPOT OUT FOAM CLEANER & DEODORIZER is a specially formulated dry foam aerosol, that has a powerful enzymatic and solvency action. It provides a two-phase approach to cleaning and deodorizing carpets and fabrics. First, the unique advanced chemical system instantly deodorizes and dissolves embedded grime and organic matter. Second, the bio-enzymatic activity begins breaking down the organic residue, eliminating stains and odors at the source.

SPOT OUT is strong enough to remove the stains and odors from milk, soft drinks, blood, wine, coffee, urine, and feces, leaving a pleasant fresh fragrance. It is formulated to provide an ideal solution for cleaning and deodorizing carpets and fabrics without hazards to personnel or the risk of chemical pollution. It is easy to use and has an inverted valve for ease of application in any position.

SPOT OUT can also be used to clean automotive interiors and as a laundry pre-spot stain remover. Refer to the label for usage instructions and the SDS for important precautions and proper PPE.
