**Solubility in water:** Soluble

**Storage stability:** Keep away from high temperatures and open flames

**pH of liquid:** Not determined

**Flammability:** Non-flammable

**Packaging:** 12x32oz Bottle / Cases

**CREAM N CLEAN** is a specially formulated cream that removes soap scum, scuff marks, rubber heel marks, hard water stains, salt deposits, metal oxides, scale, and other stubborn spots and stains. It is ideal for use in bathrooms and kitchens as it can be used on ceramic tiles, porcelain, chrome, fiberglass, and stainless steel.

**CREAM N CLEAN** also contains a bacteriostatic agent, reducing bacterial growth. To use, apply a small amount onto the surface to be cleaned with a sponge, pad or cloth. Loosen soil with gentle scrubbing action and rinse thoroughly with water. Dry with sponge or cloth. Refer to the label and SDS for additional instructions and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by Chemtron.
