Packaging:

12x1 quart case
4x1 gallon case
5 gallon pail
55 gallon drum
275 gallon tote

Properties are typical and subject to usual manufacturing tolerances.

FABRIC RUST REMOVER CONCENTRATE is a powerful and safe fabric rust remover designed to quickly and effectively remove unsightly rust stains from fabrics. Our unique formula penetrates deep into the fabric to lift and remove rust deposits, leaving your fabric looking like new.

Use **FABRIC RUST REMOVER CONCENTRATE** to remove rust stains from clothing, uniforms, upholstery, curtains, outdoor gear and equipment, and any other fabric stained by rust. Say goodbye to unsightly rust stains and hello to like-new fabric with **FABRIC RUST REMOVER CONCENTRATE**!

To use **FABRIC RUST REMOVER CONCENTRATE** dilute 1 part product with 1 part water and apply on fabrics by spraying, soaking, or brushing. Allow product to work. Once rust stains are no longer visible on the fabric, immediately rinse with plenty of water. Repeat process if necessary. Always test a small area to ensure the product does not damage certain delicate types of fabric.

FABRIC RUST REMOVER CONCENTRATE is safe to use; however, care must be taken when handling chemicals and appropriate safety wear must be worn. Refer to SDS for additional precautions and first aid instructions. we are not responsible for any use not recommended by Chemtron.
