Boat Maintenance

GREEN BOAT SOAP

FEATURES

- All-purpose boat soap with the added cleaning power
- Removes dirt, greases, and fish blood
- Safe and effective on all boat surfaces
- Contains ingredients listed on CleanGredients
- No harsh solvents
- Non-toxic, no phosphates
- Safe for the environment
- Biodegradable

PROPERTIES

Appearance: Green clear solution
Boiling point: 210 ºF (liquid)
Specific gravity: <1.22 gr/cc
Non volatiles: 4-6 % (liquid)
Solubility in water: Soluble
Storage stability: Keep away from open flames and high temperatures
pH: 7.5– 8.5 (after dilution)
Packaging:

12x1 quart cases
4x1 gal cases
5 gal pails
55 gal drums

Properties are typical and subject to usual manufacturing tolerances.

GREEN BOAT SOAP is an effective alternative to formulas that contain phosphates or other harmful components. This biodegradable heavy-duty formulation removes dirt, greases and fish blood from all boat surfaces and any marine surfaces. It is formulated without any harmful or toxic chemicals. It is phosphate-free and safe to the environment and the aquatic life.

GREEN BOAT SOAP can be used by diluting 2-4 ounces to a gallon of water.

GREEN BOAT SOAP is completely safe to use; however, care must be taken when handling chemicals and appropriate safety wear must be worn. Refer to SDS for additional precautions and first aid instructions. we are not responsible for any use not recommended by Chemtron.
