Technical Data Sheet

STAINLESS STEEL CLEANER & POLISHER
SPECIALTY CLEANER

DESCRIPTION:

Stainless Steel Cleaner & Polisher is a unique cleaning and polishing formulation that contains food grade quality ingredients. It quickly cleans and restores luster to metal surfaces such as aluminum, stainless steel, brass, copper and zinc with minimum effort. **Stainless Steel Cleaner & Polisher** removes rust, stains, organic, and inorganic deposits from a variety of metallic surfaces. It is easy to use and contains no acids or alkalis. It leaves behind a protective coating which resists finger markings and smudges.

APPLICATIONS:

Stainless Steel Cleaner & Polisher is extremely effective on a variety of metal surfaces. It can be used in hospitality and industrial markets.

FEATURES & BENEFITS:

- Oil-based metal cleaner and polisher
- Removes rust, stains, organic and inorganic deposits
- Cleans and restores luster
- Made with food grade quality ingredients making it ideal for use in restaurants
- Leaves behind protective coating which resists smudges
- Contains ingredients listed on the EPA's Safer Choice Program

SPECIFICATIONS:

Form: Oil-based
Odor: Citrus
Color: Turbid Solution
Detergency: Not applicable
Wetting Ability: Not applicable
Storage Stability: 18 months
Flash Point: Non-flammable

Specific Gravity: 0.85-0.91 gr/cc
Solubility in water: Insoluble
pH: Not applicable
Viscosity: Low
Keep away from high temperatures and open flames

DIRECTIONS FOR USE:

Shake well before use. To remove rust and stains, simply spray a generous amount on the surface and use a paper towel, non-abrasive spongue or cloth to buff out the surface. Next, wipe with dry microfiber cloth to provide a high luster to the surface treated. To clean surface only, apply on surface and then use a dry microfiber cloth to provide luster.

DILUTION:

This product is ready-to-use.

PACKAGING INFORMATION:

12x1 Quart Cases

This product can also be sold in other packaging sizes; however, the recommended size for best application are quart bottles with trigger sprayers.

ISO 9001:2015 CERTIFIED
