STRIP ALL is an aggressive formula that is effective when routine floor strippers are not. It is designed to remove all water emulsion waxes and finishes, acrylics, metal interlocks and urethane emulsions from resilient tile, concrete, marble and terrazzo floors.

STRIP ALL is powerful enough to remove multiple layer, build-up or highly burnished finish easily and safely. Refer to the label and attached SDS for instructions and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by Chemtron.
