

SUPER GROUT SPECIALTY CLEANER

DESCRIPTION:

Super Grout is a heavy duty, heavy duty, non fuming, buffered acidic detergent cleaner. It is safe to use, and designed to remove mold, fungus, algae, soap and heavy soils from grouting and hard ceramic tile surfaces leaving a pleasant scent. It also removes hard water deposits, rust, scale, grease and organic deposits from hard surfaces. It restores floors to its natural look. It can also be used to clean slightly porous concrete floors and hard metal surfaces as a rust remover. Do not use on aluminum, magnesium or soft metals.

APPLICATIONS:

Super Grout is ideal for use in hospitality, medical, and industrial markets

FEATURES & BENEFITS:

- Special blend of mild inorganic acids, non-ionic surfactants, specialty purpose solvents and fragrance oils
- Powerful detergent cleaner
- Removes heavy soil, rust, grease, scale and even algae and fungus from grouting and hard metals
- Produces no fumes
- Biodegradable
- Non Haz-Mat
- Contains ingredients listed on the EPA's Safer Choice Program
