PROFESSIONAL CLEANING PRODUCTS

FEATURES

- No odors
- Cost effective
- Ready-to-use
- Pleasant fragrance
- No special cleaners needed
- Long lasting
- No evaporation

WATERLESS URINAL SEAL is a ready-to-use trap seal liquid for waterless urinals. This product can also be used for non-flushable portable toilets.

WATERLESS URINAL SEAL contains a components that have a lower specific gravity than water/urine allowing it to float and create a seal. It has zero evaporation at 100 ° F degrees and does not freeze above –70 °F. **WATERLESS URINAL SEAL** is not affected by any commercially available cleaners. Just add 3 ounces to any non-water using urinal or to a trap and you are done.

Do not ingest, keep out of reach of children, avoid contact with eyes. Refer to the label and attached SDS for instructions and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by Chemtron.
